Coordination of Care between Health Care Provider and Release of Information

Communication between behavioral health care providers and your primary care physician (PCP), other behavioral health providers and/ or facilities is important to ensure that you receive comprehensive and quality health care. This form will allow your behavioral health care provider to share protected health information (PHI) with your other providers. This information will not be released without your signed authorization. This PHI may include diagnosis, treatment plan, progress, and medication, if necessary.

Patient Rights

- You may end this authorization (permission to use or disclose information) any time contacting the practitioner's office.
- If you make a request to end this authorization, it will not include information that already may have been used or disclosed based on your previous permission.
- You will not be required to sign this form as a condition of treatment, payment, enrollment, or eligibility for benefits.
- You have a right to a copy of this signed authorization.
- If you choose not to agree with this request, your benefits or service will not be affected.
